Barbara asking Pascale if we can share the cost as it potentially benefits the whole student body.

Budget—Barbara

\$40,000 for this year, \$14,000 already allocated for Trainers

Yoga \$500 for 10 classes—previously approved

Tennis (?) \$130 for 4 10lb medicine balls —approved

Leadership—Nate—ASB AD paying \$1400

Rebecca Smith to come and teach/present the students with strategies and ideas of how to be a leader, runs throughout the school year, once a week during tutorial. Discussed having Junior students participate rather than Senior as Juniors could put the information to use and Seniors would be leaving...thinking of what is best way to move forward.
